**Covid 19 Recovery Appeal:** Over the past few weeks our newsletter has informed us of the considerable drop of income due to the pandemic over the past year of £25,000. The parish finance Committee met and had a number of suggestions as to how we can all get involve as best we can to address this. Over the past two weeks, Fr Patrick and John Roche of the Finance Committee presented some plans and ideas inviting all to get involved given our limitations and abilities.

One off donations in a special envelope; Standing Orders, (all of which can be Gift Aided if you pay tax); a monthly raffle, called '**split the Pot**' (where half the monies go to a winner and half to the parish appeal) are now up and running. **Thank you to all who have responded generously** and an invitation to all to do the best you can for our parish mission and outreach. Further Newsletters will give us all information on how we are doing.

**Our parish is the primary source that nourishes our spiritual lives;** over these few weeks let us all pray for the work and mission of the parish and let us always give thanks for all who have bequeathed the parish to us, and endeavour to be faithful to that gift, encouraged by the words of scripture, "be rich in good works, generous and ready to share, thus storing up for themselves the treasure of a good foundation for the future...." 1 Tim 6:16-19. God Bless us All. Fr. Patrick.
