TUESDAYS AND THURSDAYS: 6 to 7pm

NOTICES

URGENT NOTICE - TRACK AND TRACE SYSTEM

As part of the ongoing effort to contain the COVID 19 pandemic, following the guidelines from the government, at the request of Cardinal Vincent, we have been asked to keep a record of attendance and a contact number for those present at masses and prayer meetings. This is so that if there is a local outbreak of COVID 19, the NHS may call us, in order to trace those who have been in contact with an infected person.

In the porch, as you enter, there is a writing pad on which you are asked to write your name and phone number.

What will happen to this information? The list of names and phone numbers will be removed after each mass by the steward, and handed to Fr David, then kept in a secure place in the presbytery, and shared with no one. In the event that we are contacted by the NHS, we will pass this information to them as required. Once this pandemic is over these lists will be destroyed.

It is important to implement this now, as a second outbreak of COVID 19 is imminent and it is necessary to have this system in place as soon as possible.

Are you a regular Sunday mass goer at St Charles Borromeo? To speed up the weekly signing in, can you fill the green slip with your details, Fr David will prepare a simple list with your surname and initials, which you have to tick off each week as you enter, reducing the amount of time registering your attendance. Later Fr David will give you a box of weekly giving envelopes so that you can register your attendance simply by putting it in the collection box at the back of the church with your offering.

FUNDRAISING - CAN YOU HELP?

Since the outbreak of the COVID 19 pandemic, the crypt has been closed, and will have to remain so until this pandemic is over. The crypt has no ventilation system installed, and so is not safe to use during this time. This means that we will be restricted to the use of the main church only. This will place a limitation on many of the parish pastoral activities for long time to come, unless we install ventilation in the hall.

Fr David has obtained a quotation for installing ventilation, the estimated cost is £40,000; which we will need to raise to pay for this work. Can you help?

Please contact Fr David.

Thank you.

A handwritten signature in black ink that reads "Fr David Falconer".
