### ANDREW JAXA-CHAMIEC'S ORDINATION TO THE PRIESTHOOD

For those who would like to attend the ordination at Westminster Cathedral on the 28<sup>th</sup> of June and would be interested in travelling up by coach, please put your name and telephone number on the list at the back of church by the end of April. This is in order that we can gauge numbers for the coach.

### THANK YOU

We take this opportunity to thank everyone who has played a part in making our celebration of the Holy Triduum so very special. Music is always a key element in our worship and so great thanks are due to Peter and Julia Adlard and the choir for the wonderful music sounded forth in these holy days. It is with sadness, that we say goodbye to Peter and Julia as, after 30 years of involvement and leadership with the music here, they move on to pastures new. We thank them for their years of dedicated service and wish them much happiness in their future endeavours. Our thanks too to Susana Tierney and Austin Finan for playing the organ this Easter Sunday morning and to Dave Pione and the singers of the folk group for leading the singing on this Easter Sunday morning at the 11.00am Mass.

Our sincere thanks go to our dedicated team of sacristans, who have worked so hard behind the scenes to prepare for these holy days. We are thankful also for our altar servers, readers, Ministers of Communion and welcomers, all of whom have played central roles in making our celebrations very worthy. The church looks truly wonderful this Easter and that is thanks to our team of cleaners and to our talented team of flower arrangers led by Annie Kent. We express special thanks to our RCIA team – to Richard and Angela Dumughn, Paul Forrest and Julie Byrne who, since September, have been guiding our catechumen and candidates on their journey to full communion with the Catholic Church. We rejoice with Kanat Ayyildiz, Samantha Benson and Christopher Prytherch who complete their initiation this Easter. We wish them joy and happiness.

Thank you to everyone who has journeyed through the mysteries of these holy days with us. We thank you for your kindness and generosity to us and in turn we wish each of you

**A BLESSED AND JOYFUL EASTERTIDE!**

### EASTER SUNDAY - 20<sup>TH</sup> APRIL 2014 EASTER SUNDAY THOUGHT

Christians through the centuries have focused a lot of reflection on that large stone laid at the mouth of the tomb. When Mary Magdalene went to the tomb she found the stone removed. (In Matthew's account of the Resurrection, Mary is actually present when an angel rolls the stone away). That large material object – which was also the most convincing objection to faith – was gone; and she was the first witness to this. The Risen Lord would show later on that he could no longer be restricted by material conditions: "When...the doors of the house where the disciples had met were locked for fear of the Jews, Jesus came and stood among them" (John 20:19). And so, that stone could not have held him prisoner in the tomb. Its removal was a sign of the resurrection, not a condition for it. Bede the Venerable in the 8th century wrote, "[The angel] rolled back the stone not to throw open a way for our Lord to come forth, but to provide evidence to people that he had already come forth."

No tomb on earth can hold the Lord. No material stone, however heavy, can imprison him. But we should not imagine that material stones are the hardest and heaviest things in the world. Who would have guessed that thoughts, which are made of nothing at all, could be heavier and harder than any stone? But experience tells us it is so. We are able to seal our minds and hearts with unmoveable stones of prejudice, hatred and fear. "To behold the resurrection, the stone must first be rolled away from our hearts," (St Peter Chrysologus)
