The Week of Prayer for Christian Unity 2022

We have seen his star in the East

The unexpected re-appearance of the Crib figures in Church is part of our participation in the Week of Prayer for Christian Unity (18th -25th January). This will become clearer at the ecumenical service for 2022 which will be held our Church on Sunday 23rd at 3pm. Refreshments will be served after the service.

Prayer resources for the Week of Prayer for Christian Unity in 2022 are available at:

Serving the Gospel today requires a commitment to the human being, especially the poorest, the weakest and those marginalised. It requires from the churches transparency and accountability in dealing with the world, and with each other. This means churches need to cooperate to provide relief to the afflicted, to welcome the displaced, to relieve the burdened, and to build a just and honest society. This is a call for churches to work together so that young people can build a good future according to God's heart, a future in which all humanity can experience life, peace and justice.

CWL Coffee Morning We will be holding our regular coffee morning after the Sunday Masses next weekend. We will be serving refreshments in the Parish Hall and there will also be a Cake Stall and a Gift Stall . Please come and join us.

Parish Committees

Our **Finance Committee** will meet at 5:45pm on the 26th January

Our **Parish Pastoral Council** will meet at 7:30pm on 2nd February.

The PPC has a key role in 'big picture' planning. We shall be monitoring our plans for responding to the pandemic and we shall be getting an overview of our plans for the rest of 2022, including what we may do in Lent and what Charities we will be supporting this year.

Holy Fathers Prayer Intentions for January

For true human fraternity

We pray for all those suffering from religious discrimination and persecution; may their own rights and dignity be recognized, which originate from being brothers and sisters in the human family.

Servers We have had some interest shown in learning how to serve at mass and will arrange another training session. If any children who have received their first Holy Communion or adults would like to join our serving teams, please let Fr Philip know.

Printer Ink As some of you may have twigged, a major irritation and frustration for Fr Philip recently was a misbehaving printer. After considerable wasting of time and energy trying to fix the problem, following the troubleshooting advice on the company webpage and YouTube videos etc., and exchanging emails - the manufacturers eventually offered to service the old printer for a cost of £118 – so Fr Philip has bought a new printer for £75. However, this does mean I have some ink cartridges which fitted the old machine but not the new. If anyone has a use for Epson 27 (Clock) cartridges please let Fr Philip know and he will be happy to give away his excess stock to a good home!
