The Most Holy Trinity

Fr. Duncan writes: On this feast of the Most Holy Trinity, we are reminded that our faith is Trinitarian. We follow Jesus Christ, not merely as a historical figure who lived and walked on the earth over 2000 years ago, but as one who is alive today bringing about salvation. The Feast of the Trinity is a celebration of God as the One who calls us together as a community, guides and protects us, and remains with us through the presence of the Holy Spirit. God is not isolated or remote. Beginning with baptism, believers share a special relationship with the Trinity. God is revealed to us as Father, Son and Holy Spirit, a community of love. Throughout history, God reveals a special love for all people and invites us to respond to that love by fidelity to the demands of the gospel. As we gather together to worship the God of creation, we gratefully embrace the challenges we receive as we continue the mission of Jesus in our world. By our lives, therefore, let us bear witness to the God of love. When we were baptised, we were baptised "In the name of the Father and of the Son and of the Holy Spirit", the name of the Trinity and were welcomed as members of the Church. As believers, we are called upon to share that unique family bond with others.

This **Sunday 11th June**, we welcome all the First Communion children, dressed in their finery, and their parents at **10.00am** for their Thanksgiving Mass. They are coming together as a group to give thanks to God for the Gift of his Son in the Sacrament of Holy Communion.

Next **Sunday 18th June** we celebrate the feast of **CORPUS CHRISTI**, the Body and Blood of Christ, when we are called to reflect on God's Greatest Gift to us, the Sacrament of the Eucharist.

Car Park Barrier

Work has begun to reclaim our car park for our use. On Thursday this week the engineers will be here to continue working on the barrier for the car park. Please be aware that entering the car park from Pembroke Road may be restricted on that day. Once the barrier has been installed full details will be available how this will operate. There will be access cards, for those who need them.

On Sundays the barrier will be open during Mass times. There will be teething problems and maybe some difficulties as we get used to the system, but it is the only way we can regain control of our car park for our use. Please be patient as we become familiar with the new system.
