27th Sunday in Ordinary Time

Fr. Duncan writes: Last week our parish embarked on a Planned Giving Campaign. Over the coming weeks we ask all parishioners to take this opportunity to prayerfully reflect on their commitment to our parish. Everyone should consider giving something, mindful of their blessings and circumstances. This weekend you will hear more about Planned Giving and Stewardship, including why our parish needs financial help to cover our costs. Please take an appeal newsletter with you today.

Our goal is to receive an informed decision from everyone in the parish. Next weekend we shall ask all parishioners to complete a promise card - this will enable our parish to plan ahead with confidence for the future.

Car Park Barrier

I am sorry that you may not have been able to access the car park on various days over the past few weeks. We have had problems with the barrier keypad. Hopefully, these have now been resolved as a new keypad has been fitted.

PS. If the code does not work in the next week or so, it has been changed. Park somewhere else and see Fr Duncan for the new code. The code is not given out over the phone, by text or email.

Secondary & Sixth Form School Admissions – September 2020

Fr. Duncan has set the following date for signing secondary school or sixth form references in the coffee lounge. Please see the lists of appointments times in the foyer after all weekend Masses and write your details next to an available appointment time, one slot per family. Fr. Duncan will **NOT** see any parents or sign forms without a prior appointment, the last date available is:

Monday 14th October: 3.30-5.00pm;

Please ensure you bring all your completed application forms with you to the meeting, Fr. Duncan has the Certificates of Catholic Practice. All those parents applying to **faith secondary schools** must make an appointment, even if reference forms are sent out from the school to the priests directly.

This applies to secondary school applications and sixth forms only, primary school applications will be dealt with later in the year.
