

Parish survey: mass times

The following chart shows the results of the parish survey of preferred mass times

Mass times

Prior to the COVID pandemic mass times on Sunday morning were at 08:30, 10:00 and 11:30 and the voting shows a wish by some people to return to those times, however the majority voted for the current times of 09:00, 10:30 and 12:00.

Where a person voted for two mass times - half a point was recorded for each
