

Ecumenism report from Peter Jan 2024

Advent study groups

After a slow start to get this together, we had a successful outcome with 3 groups (including one zoom) from South St Albans Churches meeting. Use of a free online package worked well too.

Christmas presents for Asylum Seekers: this was also supported by the other S St Albans Churches and the final collection of presents and vouchers greatly exceeded my expectations.

Christian Unity week later this month. Details to follow.
