Assisted Dying Bill 2021 - take action against it now!

Bishop John Sherrington, Lead Bishop for Life Issues for the Catholic Bishops' Conference of England and Wales has written an open letter inviting us to pray for the defeat of the Assisted Dying Bill to be debated in the House of Lords in October. In it he writes, 'In the next weeks, we face an unprecedented attack on the sanctity of life with Baroness Meacher's 'Assisted Dying Bill 2021' is due its 2nd Reading in the House of Lords with full debate on Friday, 22 October. The term 'Assisted Dying' is euphemistic, the truth is that this bill seeks to introduce Assisted Suicide. If legalised, this Bill would allow a terminally ill adult with less than 6 months to live to be assisted in committing suicide. Catholic teaching opposes assisting suicide, since life is a gift to be cared for and preserved until its natural death. The Church is clear that we cannot directly choose to take the life of another, even if they request it. The solidarity of praying and caring for the most vulnerable at this fragile time of their lives is a profoundly Christian act which imitates Our Lady's prayer at the cross and Christ's service to the weakest. Those in favour of the bill are making good use of language to confuse the issue and call it a compassionate and caring approach to redefine the question and obscure the actual reality and consequences of such legislation. As Pope Francis has said, "Physician-assisted suicide is part of a 'throwaway culture' that offers a 'false compassion' and treats a human person as a problem... True compassion does not marginalise anyone, nor does it humiliate and exclude – much less considers the disappearance of a person as a good thing." He criticised "those who hide behind an alleged compassion to justify and approve the death of a patient. "Dangers of the introduction of Assisted Suicide importantly, at this stage we need to argue the dangers of the introduction of Assisted Suicide, which include the safety of people who are vulnerable due to external pressures, and the later liberalisation of the law which is evidenced by other countries which have introduced Assisted Suicide. Many voices from the world of disability-rights and other allies are also very fearful and fighting this bill... Take action! There are three important actions in the next weeks: PRAYING, WRITING and SHARING. First, I ask you to pray that the Bill will be defeated. Second, I ask you to write to the Peers from your personal experience and share stories which will argue the reasons for opposing the Bill as well as narrate the importance of precious time during the final stages of life. The testimony of healthcare and legal professionals will also be important. This needs to be done before the Second Reading on 22 October. Third, I ask you to engage and share stories and reasons against the Bill on social media. Briefing papers will be available on the bishops' conference website to assist you as this work develops. Be assured of my prayers.

PARISH NEWS

NEW MASS TIMES AND SERVICES POSTPONED UNTIL 17TH OCTOBER 2021

Regrettably, Fr David is still in self-isolation until this Wednesday. Thank you to Fr Lopito from Rome, Fr Matthew and brothers of the Nigerian Chaplaincy, who have been covering Masses for the parish during this time of self-isolation. Given the current situation, it seemed more sensible to postpone the restoration of "normal" weekdays Masses and services proposed previously, until 17th October, to allow the retuning parishioners and Rev Matteo to settle and added that Fr David is due to take his annual leave from 29th September until 13th October. The Mass intentions booked for Monday and Saturday morning will be transferred to Tuesday, Thursday and Friday Masses. Please accept our sincere apologies for this. In the meantime, we will continue with the current scheduled Mass times until 17th October.

The Sunday 1pm Mass for the children and families of the First Holy Communion group 2021-2022 will start on 24th October.
