Day for Life

'The Lord is my shepherd - Compassion and Hope at the end of life'

On Sunday 16 June 2024 we celebrate the Day for Life. This year we focus on the theme of compassion and hope at the end of life as well as the reasons why the Church opposes the proposal to introduce assisted suicide or euthanasia. The day provides an opportunity for catechesis on the precious gift of life which opens out into the hope of eternal life at our earthly death. The Bishops' Conference has a dedicated section of their website on this topic.

Mary's Meals.

As a valued Mary's Meals supporter, we would like to invite you to a screening of a new documentary, Zero Hunger, about the devastating and [escalating hunger crisis in Ethiopia](#).

Filmed in Tigray, Ethiopia and in London – and featuring an original in-depth interview with Bob Geldof – Zero Hunger powerfully explores the question 'can there be a solution to world hunger?'

This special documentary shows how a deadly combination of war, poverty and drought has resulted in the threat of a new famine. Amidst so many challenges in Tigray, the film also reveals hope, through the determination of those who choose, each day, to rise up against the odds stacked against them – a dedicated group of Sisters who turn a simple school meals programme into a lifeline for thousands of refugees, formerly wealthy families reduced to begging for food and still choosing forgiveness, children who share their only daily meal with others.

In the years since Live Aid moved hearts and minds to help people in this region, what should our response be and what will it take to prevent the next avoidable famine?
