LOVE GOD LOVE ONE ANOTHER

In today's Gospel Jesus says "you shall love the Lord your God with all your heart and with all your soul and with all your mind … and … you shall love your neighbour as yourself"

These must be the most famous verses in the New Testament. We probably can't hear them enough. This is a love that binds all humanity.

We cannot separate love of God and love of our neighbour. There is a beautiful practice in India of using the mystical 'NAMASTE' in greetings, which means 'The Divine in me greets the Divine in you'. Usually this is accompanied by a bow towards the person.

How wonderful it is to see God present in each other, and more importantly, in those who are on the margins of society. In this way we are being true to the greatest commandment of loving God and loving one another.

"May today there be peace within.
May you trust God that you are exactly where you are meant to be.
May you not forget the infinite possibilities that are born of faith.
May you use those gifts that you have received and pass on the love that has been given to you." (St. Therese of Lisieux)
