BE READY

From time to time we can all say, 'I'm not ready'. I'm not ready to go out, I can't find my shoes, I'm not ready to talk about an experience. I'm not ready to let go after the loss of a loved one. I'm not ready to enter a relationship.

No one can tell us if we are ready for a situation or not. It is something only we can know. Sometimes we may need to push ourselves or just go for it.

The parable in today's Gospel puts two groups in stark contrast – the foolish virgins who failed to prepare and the sensible ones who were ready with their lamps and their flasks of oil. Both groups fell asleep, but only one was ready for action.

Jesus tells us that we need to be watchful and ready, because we do not know the day nor the hour of his coming, we must be prepared so that when he comes, we can enter his kingdom. We should keep lamps burning with the light of faith through:

- Daily prayer
- Words of kindness
- A thought for others
- Our way of being silent, of speaking and of acting.

All these can keep our religious lives burning like a lively flame.

Lord, let us keep our minds alight with faith
Our souls alight with hope
And our hearts alight with love as we wait in joyful hope
For the coming of our Saviour Jesus Christ.
