THE ASSUMPTION OF THE BLESSED VIRGIN MARY

Mary was a normal human being like each of us. But what made her special was that she was shown God's favour in an extraordinary way. This was because she was faithful in her relationship with God, was available, ready to do whatever God asked of her and was eminently teachable. We honour her on the feast of her Assumption and pledge ourselves to follow her example.

This group is a welcoming space for teenagers to relax, connect with others, and explore faith in a way that relates to everyday life. While rooted in Catholic teaching, sessions will focus on real-world topics such as identity, friendships, mental health, music and culture, social media, and the challenges young people face today. Each meeting will include games and activities, open discussions, and time for reflection and prayer. The aim is to help young people discover how God and faith connect with their lives in a meaningful and practical way. Whether you are already involved in parish life or simply curious, you are very welcome to come along.

ACT NOW – CONTACT YOUR MP

A Private Members' Bill on assisted suicide – so-called assisted dying – has been reintroduced to the House of Commons. The Terminally Ill Adults (End of Life) Bill will have its Second Reading and vote on Friday, 11 September 2026.
Our clear principled objection to this Bill remains and we renew our call for Catholics and people of goodwill to unite in prayer and compassionate action. Archbishop Richard Moth, President of the Bishops' Conference, explains our strong opposition to this legislation:
"The Terminally Ill Adults (End of Life) Bill which aims to legalise assisted suicide has returned to the House of Commons, and Members of Parliament will vote on its Second Reading on 11 September. This bill is wrong in principle. It is also deeply flawed and, if passed, could lead to vulnerable people feeling pressured into ending their lives.
"The Bill has a serious lack of protection for health and social care staff and risks putting many wonderful hospices and care homes in the position of no longer being able to operate.
"I urge you to write to your Members of Parliament to petition them to vote against the Bill at Second Reading."

GET ACTIVE, YOUR WAY

MARY'S CREDENTIALS

The feast of the Assumption proclaims that at the end of her life on earth Mary was taken up body and soul to heaven to be rewarded for her lifetime of faithfulness in serving God by bearing his only Son, Jesus of Nazareth who was the Christ of God.

We call Mary "full of grace" or the "highly favoured one". What qualified her to be shown such favour by God?

Mary was a girl who would not have stood out from the crowd. We could almost call her a nobody, in the best sense of the word. She was a teenager getting on with her life in a backwater village in the Middle East.

She was humbled and troubled when the angel Gabriel visited her. Yet she was open to what God was asking of her, even though she didn't fully understand how it could be. Her humility shines out in her Song, the Magnificat. And so does her praise. For when she had listened to what the angel had to say, her immediate reaction was to praise God for using her in this extraordinary way.
