Museum of the Home – The Museum of the Home in London has created new galleries representing home life from 1878 through to 2049. Over 500,000 Irish-born citizens settled in the UK during this period. The Irish presence is significant in the history of the Catholic Church in this country, including a substantial contribution to the rebuilding of parishes in the 19th and 20th centuries, Wapping included. The museum is based at 136 Kingsland Road, London E2 8EA, is opposite Hoxton Station.

The St Katharine and Wapping Safer Neighbourhood Ward Panel has a website: www.skw-wardpanel.org. It contains information and links for reporting anti-social behaviour to Tower Hamlets and the Police, information about Streetlink for reporting rough sleepers, and local news and upcoming events. We also recommend that Wapping residents register for OWL ('Online Watch Link'), to stay updated with local security advice and information and incident reports: www.owl.co.uk. As a local community, it is good for us to be connected together and to look out for each other.
